Notice Date: February 13, 2023
To: Ohio Medicaid Providers
From: CareSource
Subject: Guidance Regarding 270 Eligibility Inquiry, Claim Submissions and Payer ID

Summary
270 Eligibility Inquiry and Claim Submissions
Effective February 1, provider claims and 270 Eligibility Inquiry submission to trading partners through the Ohio Department of Medicaid Fiscal Intermediary should include the 12-digit ODM assigned Medicaid member ID (MMIS). To ensure you do not receive mismatched data errors during the transition, the 271 Eligibility Responses will match your 270 Eligibility Inquiry. This change will be effective on Feb. 14, 2023.

270 Eligibility Inquiry	271 Eligibility Responses
If Medicaid member ID is sent	Medicaid member ID will be returned
If CareSource Plan ID is sent	CareSource Plan ID will be returned in NM segment and if the member is an active Medicaid member, the Medicaid member ID will also be returned in the REF segment as supplemental information
Neither Medicaid member ID nor CareSource Plan ID is sent	Medicaid member ID will be returned in the NM segment

Impact
If you have not been receiving 271 Eligibility Responses to the 270 Eligibility Inquiry transactions, the issue has been resolved by the Fiscal Intermediary (FI). If you submitted a 270 Eligibility Inquiry beginning on February 1, and have not yet received a 271 Eligibility Response, please resend your 270 Eligibility Inquiry with the 12-digit ODM assigned Medicaid member ID (MMIS). Please update the ISA control number of your file to avoid any possible duplicate file errors.
