Notice Date: May 2, 2023
To: Ohio Medicaid Providers
From: CareSource
Subject: Rejection of Claims that Bypass the ODM Fiscal Intermediary

Summary

In alignment with Ohio Department of Medicaid (ODM) requirements, CareSource will reject any Ohio Medicaid claims submitted via Electronic Data Interchange (EDI), that bypass ODM's Fiscal Intermediary as of May 5, 2023.

Impact

EDI Submitted Claims

We are continuing to receive claims from providers directly through our clearinghouse, Availity. All providers who submit Ohio Medicaid claims via EDI must do so through the ODM trading partner using Payer ID 0003150 and the member's MMIS number instead of the CareSource Member ID. **Beginning on May 5, 2023, any Medicaid claims that are submitted directly to CareSource, and not through ODM, will be rejected.** For more information, please visit ODM's [website](#).

See below for a checklist of requirements for providers:

- Registered on PNM
- Provider Trading Partner/Clearinghouse is registered with the ODM Fiscal Intermediary (FI)
- Using Payer ID 0003150
- Using member MMIS number, not CareSource Member ID
- Note: to receive Electronic Remittance Advice (ERAs) via ODM, provider must also register on the Provider Network Management (PNM) portal to receive ERAs
