\*A full provider list can be searched on our website, CareSource.com. On the Provider page, under the Provider Overview, click on "Find a Doctor/Provider."

We will provide a list of CareSource patients who are filling these products above on the pharmacy benefit upon your request. Please email your request to [PharmacyConversionProgram@CareSource.com](mailto:PharmacyConversionProgram@CareSource.com). In your request, include the following information: best email address to reply to, prescriber name, National Provider ID (NPI) and address. Due to the confidential nature of the information, the member list will be sent back securely with instructions on how to access the secure message.

To expedite processing, you can request prior authorization electronically on the [CareSource Provider Portal](#).

### What You Should Know

We know patient care is of the utmost importance to you. We are notifying our members of this change to help ensure their treatment plan is maintained. We have asked our members to contact their prescriber if they have questions.

### Additional Resources

For the most up-to-date information on enteral products, please utilize the [procedure code lookup tool](#) online. To access the look up tool, visit the provider pages at CareSource.com. You may find your patient's plan formulary by clicking on:

- Your patient's CareSource plan
- Tools & Resources
- Procedure Code Lookup Tool

We recognize each patient is unique and we appreciate your partnership in making this a successful transition. If you have any questions, please call the Utilization Management Department at **1-800-488-0134**. The Utilization Management Department is open Monday through Friday, 8 a.m. to 5 p.m. Thank you for being a CareSource health partner.
