

Network Notification

Notice Date: March 18, 2020
To: Ohio Medicaid Eye Care Providers
From: CareSource
Subject: Transition of Care Extended for Superior Vision

Summary

The transition of care period has been extended through **April 30, 2020** for providers continuing to service CareSource's Ohio Medicaid members for routine vision care. This applies to providers who are not contracted with Superior Vision.

Impact

As of **May 1, 2020**, the transition of care period will expire and you will no longer be able to service CareSource Ohio Medicaid members for routine vision services as an in-network provider unless you have contracted with Superior Vision.

Importance

In order to continue servicing CareSource's Ohio Medicaid members past April 30, 2020, please contact Superior Vision at 1(800)981-2435 or visit www.superiorvision.com/eye-care-professionals, and select "Join our network."
