Formulary Changes, 2017 Quarter 3

Dear CareSource® Medicaid Member and Provider:

We want you to have the most current information about our Preferred Drug List (PDL). Here are the changes that will be effective August 1, 2017.

The following medicines will be **added** to the CareSource PDL on August 1, 2017:

- Neulasta OnPro (pegfilgastrim) prefilled syringe with on-body injector (6 mg/0.6 mL) – on medical benefit only

The following medicines listed in the CareSource PDL will **require prior authorization** as of August 1, 2017:

- Adlyxin (lixisenatide) solution (50 mcg/mL, 100 mcg/mL)
- Cuvitru (immune globulin) solution (1 g/5 mL, 2 g/10 mL, 4 g/20 mL, 8 g/40 mL) – on medical benefit only
- Exondys51 (etelplirsen) solution (100 mg/2 mL, 500 mg/10 mL) – on medical benefit only
- Lidocaine topical (2% gel, 2% solution, 3% cream, 4% cream) – prior authorization required if quantity > 1 tube per month
- Lidocaine topical (4% solution, 5% ointment)
- Lidocaine-hydrocortisone topical (0.5%-3% cream)
- Nexium (esomeprazole) capsule (20 mg, 40 mg) – prescription strength formulations only (OTC formulations preferred)
- Prevacid (lansoprazole) capsule (15 mg, 30 mg) – prescription strength formulations only (OTC formulations preferred)
- Xiidra (lifitegrast) ophthalmic solution (5% (50 mg/mL))
- Zegerid (sodium-bicarbonate) capsule (20-1100 mg and 40-1100 mg) – prescription strength formulations only (OTC formulation preferred)
- Zegerid (sodium-bicarbonate) packet (20-1680 mg and 40-1680 mg)

For the most up-to-date information, please utilize the Formulary [Search Tool Searchable Drug Formulary--Ohio Medicaid](#) or the Preferred Drug List (PDL) on CareSource.com.

We are here to help you should you have questions. Call the CareSource Pharmacy Services Department at 1-800-488-0134. The department is open Monday through Friday, 8 a.m. to 5 p.m.

Sincerely,

CareSource Pharmacy Department
