Re: Summary of PDL Changes Effective September 1, 2021

Dear CareSource Member:

Your health care is our priority. That is why we are writing to tell you that on September 1, 2021, CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

THE FOLLOWING MEDICINES WILL BE NON-PREFERRED ON THE PDL EFFECTIVE SEPTEMBER 1, 2021.

| Brand Name | Generic Name | Dose(s) | Notes |
|-------------------|------------------|---------|---|
| Differin Cream | Adapalene Cream | 0.1% | Brand moves to non-preferred for all ages |
| Differin Gel | Adapalene Gel | 0.1% | Brand moves to non-preferred for all ages |
| Differin Gel Pump | Adapalene Gel | 0.3% | Brand moves to non-preferred for all ages |
| Differin Lotion | Adapalene Lotion | 0.1% | Brand moves to non-preferred for all ages |

What should you do?

First, talk to your prescriber. There may be other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at **CareSource.com**. On the Members page, go to Tools & Resources and click on “Find My Prescriptions.”
- Or, call our Member Services Department at **1-800-488-0134** (TTY: 1-800-750-0750 or 711).

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,

CareSource RX Innovations
