Re: Summary of PDL Changes Effective October 1, 2021

Dear CareSource Member:

Your health care is our priority. That is why we are writing to tell you that on October 1, 2021, CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

THE FOLLOWING MEDICINES WILL BE NON-PREFERRED ON THE PDL EFFECTIVE OCTOBER 1, 2021.

Brand Name	Generic Name	Dose(s)	Notes
Azasan	Azathioprine	75mg, 100mg	Generic azathioprine 50mg tablets are preferred
Cabometyx	Cabozantinib	20mg, 40mg, 60mg	
Juxtapid	Lomitapide	5mg, 10mg, 20mg, 30mg, 40mg, 60mg	

What should you do?

First, talk to your prescriber. There may be other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at **CareSource.com**. On the Members page, go to Tools & Resources and click on “Find My Prescriptions.”
- Or, call our Member Services Department at **1-800-488-0134** (TTY: 1-800-750-0750 or 711).

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,

CareSource RX Innovations
