**What should you do?**

First, talk to your prescriber. There may be other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at **CareSource.com**. On the Members page, go to Tools & Resources and click on “Find My Prescriptions.”
- Or, call our Member Services Department at **1-800-488-0134** (TTY: 1-800-750-0750 or 711).

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,

CareSource RX Innovations
