Re: Summary of PDL Changes Effective April 15, 2022

Dear CareSource Member:

Your health care is our priority. That is why we are writing to tell you that on April 15, 2022, CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

THE FOLLOWING MEDICINES HAVE A CHANGE IN STATUS EFFECTIVE APRIL 15, 2022.

Brand Name	Generic Name	Dose(s)	Notes – If Applicable
Sublocade	Buprenorphine	100mg/0.5mL, 300mg/1.5mL	No prior authorization required. Quantity limits apply

What should you do?

First, talk to your prescriber. There may be other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at **CareSource.com**. On the Members page, go to Tools & Resources and click on “Find My Prescriptions.”
- Or, call our Member Services Department at **1-800-488-0134** (TTY: 1-800-750-0750 or 711).

We are here to help you. The CareSource Member Services Department is open Monday through Friday, 7 a.m. to 7 p.m.

Sincerely,

CareSource RX Innovations
