Notice Date: March 7, 2023
To: Ohio Medicaid and MyCare Providers
From: CareSource
Subject: Ohio Pulsewrx Program for Continuous Glucose Monitoring

Summary

The **Ohio Pulsewrx Program** exclusively offers eligible households a high-quality smartphone compatible with continuous glucose monitoring via the **Lifeline Wireless Program and Affordable Connectivity Program** (ACP). Ohio Medicaid and MyCare members receive a smartphone built to include important contacts, health resources and mobile apps for long-term connectivity for health and well-being. All Medicaid and MyCare members are eligible.

Join the Pulsewrx team to learn how Ohio Medicaid and MyCare recipients can enroll in this free and important benefit. Pulsewrx will discuss the phone benefit, provide a website demonstration, and share best practices for successful enrollment.
