Foundational Principles of Cultural Humility and Safety in Health Care Delivery

Summary

CareSource is dedicated to eliminating health disparities and promoting equitable care for all. We would like to invite you to participate in the free OnDemand CME/CE activity, [Foundational Principles of Cultural Humility and Safety in Health Care Delivery](#). This webcast discusses the critical importance of cultural humility and awareness in health care, including the impact of implicit bias on patient experience and outcomes.

Importance

The activity is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC). Participants will receive 1.0 Interprofessional Continuing Education (IPCE) credit.

This activity is supported by an educational grant from CareSource and is intended for physicians, nurses, nurse practitioners (NPs), pharmacists, physician associates (PAs), and other health care professionals within the CareSource network.

To participate in this activity or learn more, click [here](#).

Once you click the link, click "Begin" at the bottom of the page. You will be able to quickly create a CME Outfitters account in order to claim your Continuing Education credit.

We hope you can join us for this important discussion!
