

NETWORK Notification

Notice Date: June 11, 2025

To: Ohio Medicaid Providers

From: CareSource

Subject: Dates Announced: ODM to Roll Out EVV Claims Processing

Changes in Seven Phases

Effective Date: June 1, 2025

Summary

Effective June 1st. 2025:

Claims submitted for Home Health Services that do not have a valid, matching EVV visit record on file with Sandata will be denied for any claims with a date of service on or after June 1st. It is essential to ensure that all necessary EVV documentation is in place to avoid claim denials.

Effective August 1st, 2025:

Claims submitted for Private Duty Nursing, Nurse Assessment, and Consult Services that lack a valid, matching EVV visit record on file with Sandata will also be denied for any claims with a date of service on or after August 1st. Impacted codes include: T1000, T1001,. and T1001 (UA).

Looking Ahead:

We anticipate full implementation of these changes by the end of the first quarter of 2026. A detailed chart outlining the services and execution dates will be provided for your reference.

Impact

All providers should reference the <u>ODM EVV Homepage</u> for all current program details.

ODM will roll out EVV processing claims changes in seven phases, beginning with home health service providers on March 1, 2025. At the time of this change, claims that require EVV must have a matching EVV visit record. Claims that do not match will be denied. Other providers will be phased in beginning on June 1, 2025, with full implementation expected by the end of the first quarter of 2026. Services and execution dates are listed in the chart below.

Based on the ODMs Seven Phases, CareSource will start to **deny claims** that do not match an EVV visit record on **June 1, 2025**, for the following codes: G0151, G0152m, G0153, G0156, G0299, G0300. August 1, 2025, for the following codes T1000 and T1001 (U9).
