**Notice Date:** August 19, 2025  
**To:** All Ohio Providers  
**From:** CareSource  
**Subject:** Launch of HealthPlanResources.com  
**Effective Date:** August 1, 2025

---

## Summary

We know your time is valuable. To help improve access and understanding, we have developed a provider-facing Learning Management System (LMS) called [HealthPlanResources.com](https://www.healthplanresources.com). Registration instructions are available when following this link.

## Impact

[HealthPlanResources.com](https://www.healthplanresources.com) consolidates all provider education resources and opportunities in a single location. Future live training schedules and registration will appear in the LMS as well as access to our on-demand education library.

## Importance

Practice managers may track, complete and attest to training completion on behalf of their group, ensuring that all annual training requirements are successfully met.
