**Notice Date:** January 21, 2026  
**To:** Ohio Marketplace, Medicaid and CareSource® MyCare Ohio (HMO D-SNP) Providers  
**From:** CareSource  
**Subject:** Notice to Home Health Agencies Regarding License Renewal Grace Period

---

## Summary

The Ohio Department of Health (ODH) implemented licensure requirements for Home Health Agencies (HHAs) beginning September 30, 2022. At that time, agencies were issued triennial licenses set to expire in the fall of 2025.

To support compliance with Ohio's licensure requirements, ODH is granting a **one-time grace period** for renewals. Any HHA whose license was due for renewal between **July 31, 2025, to January 31, 2026**, will have until **February 1, 2026**, to file for renewal. Licenses renewed during this grace period will remain active as of their original expiration date.

Beginning February 1, 2026, ODH will provide advance notice of upcoming expiration dates and renewal requirements to each HHA. However, any HHA that fails to renew timely after this date will be required to restart the licensing process by applying for a new initial license.
