## Instructions for Submitting Ohio Medicaid Managed Care/MyCare Ohio Nursing Facility Request Form

» Complete Sections I through VI of this form entirely and submit it to the appropriate plan. A medical necessity and level of care

determination will not be able to be completed if supporting documentation is not submitted with the form. To ensure a											
determination is able to be made by the plan, the following documentation should be submitted with the form:											
9 9	Clinical documentation including diagnoses, medications, current therapy notes, wound descriptions, IV medication,										
ventilator dependency (if applicable), current assistive device(s) used, and validation of protective level of care (including the											
need for assistance with any instrumental activities of daily living).											
<ul> <li>Documentation to support medical necessity using ODM criteria.</li> <li>Documentation to support that PASRR requirements have been met; the PASRR determination letter should be attached to</li> </ul>											
this submission if available.	r requirements have be	een met, the PASKK ut	eterrimation	letter should be attached to							
☐ Treatment plan or care plan; include a	a discharge plan if appl	icable and any noted b	narriers to dis	charge							
☐ Any other pertinent information or no		-	differs to dis	criai ge.							
A signed order from a physician, nurse pra	_		luded in the c	linical documentation in lieu							
of providing a signed certification on this f											
signature on this form is required by one of the authorities listed above. When an order is used in lieu of the certification, the order should include the level of care under which the member is certified for admission to the NF.											
If applicable, include documentation show	ring previous level of ca	are determination (inc	lude date of l	ast level of care							
determination) or prior level of function.											
Requests for continued stays should be submitted in sufficient time prior to the end of the previous authorization.											
Routine requests will be determined within 10 calendar days; expedited/urgent requests will be determined within 48 hours.
