<b>Follow up instruction:</b>			

- 1 \*USE ACTIVE CareSource Members
- 2 Use DOS greater than 1/1/2018
- 3 Place the "T" indicator in the test 837 file. The "T" indicator in ISA Segment 15 is a TEST file indicator  
Email us the name of the test file and date of submission, and to which trading partner @[OhioBHinfo <OhioBHinfo@caresource.com>](mailto:OhioBHinfo@caresource.com); c: [Curtis, Julie D. <Julie.Curtis@Caresource.com>](mailto:Curtis.Julie.D.@caresource.com); [Haberlandt, Rita A. <Rita.Haberlandt@caresource.com>](mailto:Haberlandt.Rita.A.@caresource.com)
- 4 [<Rita.Haberlandt@caresource.com>](mailto:Rita.Haberlandt@caresource.com)
- 5 Once we have your 837 file, we will return a 999/997 file to your trading partner
  
- 6 We will also load and process your test claims and provide you with an excel report of the claims processing.
  
- 7 If you use Availity, please contact Patrick Sapp at Availity ([patrick.sapp@availity.com](mailto:patrick.sapp@availity.com)). You will first need to register on the Availity portal and then after you register, Patrick can give a testing/QA login.  
  
For further Availity information, please refer to the Availity registration instructions below.
