

## Network Notification

**Notice Date:** April 1, 2019  
**To:** Ohio Medicaid Providers  
**From:** CareSource®  
**Subject:** Enforcement of Ohio Administrative Code (OAC) 5160-10-01  
**Effective Date:** July 1, 2019

---

### Summary

CareSource aligns with Medicaid guidelines regarding limits for durable medical equipment (DME).

### Issue

CareSource has not historically enforced the limits outlined in Ohio Administrative Code (OAC)/5160 Medicaid/Chapter 5160-10-01 for DME limits.

### Solution

Based on the above OAC, providers are not able to bill for DME above acceptable limits. Effective July 1, 2019, CareSource will implement 79 frequency limits for 374 procedure codes to deny claim lines billed over frequency limits. In accordance with OAC limits, CareSource will be seeking recoveries on DME limitation overpayments.

For your reference, we have provided a [list of the policy and procedure codes](#) that are impacted.
