

Ohio SRS Behavior Health Benefit Grid

These benefits are effective on January 1, 2019.
 The Specialized Recovery Services (SRS) program is available through Medicaid.
 Individuals eligible for the SRS program will have three new services available through their Medicaid health care coverage, in addition to their current coverage. The services are Recovery Management, Individualized Placement and Support, and Peer Recovery Support.
Note: Practitioners who render Peer Recovery Support (PRS) services through the SRS program must be trained and certified as a Peer Recovery Supporter by the Ohio Department of Mental Health and Addiction Services (OhioMHAS) and must be affiliated with an OhioMHAS certified mental health services agency.
