Subject: Payment Policy for Evaluation & Management Services Provided During Global Surgery Period

This outlines CareSource's billing and reimbursement when evaluation and management services billed with Modifier 57 are provided during the Global Surgery Period.

- **Global Surgical Period: 0-10 days**
 - CareSource will not pay for an evaluation and management service billed with Modifier 57 if the service was provided on the day of or the day before a surgical procedure that has a 0-10 day global surgical period.
- **Global Surgical Period: 90 days+**
 - CareSource will pay for an evaluation and management service billed with Modifier 57 when the service is provided on the day of or the day before a surgical procedure that has a 90-day or greater global surgical period if the clinical documentation supports the use of the modifier.
- **CPT Codes Affected: 99201-99205, 99211-99215, 99241-99245**

This policy is effective January 1, 2010.
