Subject: Prevnar 13 Reimbursement – Backdated from March 18, 2010

CareSource is reimbursing Prevnar 13 (CPT Code 90670) at a rate of \$10. This is effective March 18, 2010, which is the date the vaccine became available through the Ohio Vaccines for Children (VFC) program.

There is no cost implication by backdating as Prevnar 13 simply replaces Prevnar 7, which was already budgeted.

Claims with a date of March 18, 2010, and after will be adjusted at a rate of \$10.
