Subject: Electronic Funds Transfer – Now Available for All Ohio Providers

Great news, Electronic Funds Transfer (EFT) is now available for all CareSource Ohio providers!

Benefits of EFT:

- **Simple** – Receive fully reconciled remittances electronically; eliminate paper checks and Explanation of Payments (EOPs), which will increase efficiency with payment processing
- **Convenient** – Available 24/7; works in conjunction with Electronic Medical Record systems.
- **Reliable** – Claim payments electronically deposited into your bank account
- **Secure** – Access your account through CareSource's secure Provider Portal to view (and print if needed) remittances and transaction details

Enroll in EFT

Simply complete the [enrollment form](#) and fax it back to InstaMed at 1-877-755-3392. InstaMed will work directly with providers to enroll in EFT.

Free EFT training is available to providers; register for training [here](#). Additional information about EFT is located in the [Claims section](#) of our website and the [Provider Portal](#).
