

Network Notification

Date: November 1, 2012

Number: OH-P-2012-39

To: Ohio Providers

From: CareSource

Subject: CareSource Policy Related to STI Testing

CPT Code: See NCD 210.10 for list of CPT and Diagnosis Codes

Effective Date: November 8, 2011

This document outlines CareSource's modifications to the CMS NCD Policy 210.10 for Screening for Sexually Transmitted Infections.

Policy:

For the Medicare plan, CareSource will follow this NCD as written by CMS, which can be found by here: <http://www.cms.gov/medicare-coverage-database/details/ncd-details.aspx?NCDId=352&ncdver=1&bc=AAAAGAAAAAA&>

For the Medicaid plan, CareSource will follow this NCD as written by CMS with modifications, see below:

Effective for claims with dates of services on or after November 8, 2011, CareSource will cover screening for these USPSTF-indicated STIs with the appropriate FDA approved/cleared laboratory tests, used consistent with FDA-approved labeling and in compliance with CLIA regulations, when ordered by the primary care physician or practitioner and performed by an eligible provider for these services. CareSource has lifted the yearly limitations outlined by CMS in this policy.

Per the CMS Medicare Claims Processing Transmittal 2476 the CareSource requirement for billing STI screenings is as follows:

- Continued -
