**Re: Passport vs Medicaid payment structure**

---

CareSource has been actively supporting two payment models for Passport and Medicaid which is based on the Ohio Administrative Code (“OAC”). Effective July 1, 2017 CareSource will begin to reimburse for Waiver services as listed in the OAC; specifically, **5160-46-06 Ohio home care waiver program: reimbursement rates and billing procedures.**

This will not require any changes to the service plans or your billing process; however, the pricing will be updated as needed to reflect the OAC pricing.
