**Date:** April 15, 2015

**To:** CareSource® Health Partners

**From:** CareSource

**Subject:** Pediatric Clinical Guideline

---

The American Academy of Pediatrics has recently issued a new clinical guideline regarding pediatric care. A link to the guideline has been posted for your quick reference within the Clinical Guidelines section of CareSource.com.

You can also access the guideline at [www.healthychildren.org](http://www.healthychildren.org).

Thank you for your continued care for our members.
