Notice Date: August 16, 2022
To: Indiana Medicaid Providers
From: CareSource
Subject: Available On-Demand Behavioral Health Webinar Series & Provider Trainings

Summary

CareSource offers FREE on-demand educational webinars focused on various Behavioral Health (BH) topics. Learn the causes of each BH condition, as well as how and when to refer complex patients for specialized treatment. The current topics include:

- Medication Assisted Treatment (MAT) for Opioid Use Disorder
- Autism Spectrum Disorder
- Attention-Deficit Hyperactivity Disorder (ADHD)
- Adversity! The Brain, Behavior, and Our Learning
- Depression
- Cultural Competency When Serving Burmese, Foster Care and Re-Entry Communities

Additional Provider Trainings

- Screening, Brief Intervention and Referral to Treatment (SBIRT) and Health and Behavior Assessment & Intervention (HBAI) when treating patients with Substance Use Disorder (SUD)
- Major Depression & HEDIS education training to learn more about how to meet quality standards on the antidepressant medication management (AMM) measure
