Preferred Diabetic Supply List

Ohio and Georgia CareSource Dual Advantage™ (HMO D-SNP) covers diabetic testing supplies for our members through their pharmacy benefit. The preferred product lines for blood glucose monitors and test strips are Abbott Diabetes and Lifescan. The preferred product lines for continuous glucose monitors (CGMs) are Abbott FreeStyle and Dexcom.

The Preferred Diabetic Supply List (PDSL) was created to assist providers and members in selecting preferred blood glucose testing monitors and testing supplies. Updates to the PDSL are published periodically. Table 1 provides an updated list of all products on the PDSL.

Table 1 – PDSL for Ohio and Georgia CareSource Dual Advantage Members

Non-Preferred Diabetic Testing Supplies

Blood glucose meters, test strips and CGM systems not listed above will require a non-formulary exception review. Trial of a preferred product or a clinical reason why preferred system is unable to be used is required.

Control Solutions

The preferred control solutions are OneTouch, Medisense and Freestyle. Non-preferred control solution will require a formulary exception review. Trial of a preferred control

solution or a clinical reason why preferred control solution is unable to be used is required.

Preferred Control Solutions	
NDC	Control Solution
